U. S. WEATHER BUREAU.

MERIDIAN, Miss., Oct. 31, 1894.

Local forecast for 48 hours from 8 a. m.,

For Wednesday—Fair, warmer.

For Thursday—Fair, slightly warmer.

Local data for 24 hours ending 8 a. m., Oct. 31: Maximum temperature 65; minimum temperature, 38; rainfall, 0.

WEATHER CONDITIONS.

The weather is generally fair and cooler throughout the country east of the Mississippi River. It is warmer in the extreme west and southwest. Rain fell yesterday from the Missouri river eastward to the Atlantic. Frost was reported this morning in Mississippi, Georgia and Tennessee.

Fair weather will prevail over the Gulf States for two days or more.

PUBLIC OPINION.

Mr. Benjamin Harrison evidently thinks that somebody thinks he is a candidate.—Atlanta Constitution, Dem.

Gov. Waite is by means the craziest man in Colorado. The general belief at Denver is that he is likely to be re-elected.—Milwaukee Sentinel.

If it is all the same to Tom Reed, the Governor of Ohio would much prefer that he refrain from doing his future thinking out loud.—Washington Post, Ind.

Major McKinley should not be unduly elated at the reception given him in the South, for if he will ask Dr. Depew he can learn that something more substantial than enthusiasm is required to hold the Southern delegation at a Republican national convention.—New York World, Dem.

Ex-Speaker Reed's latest aphorism is that "cheapness, with money to buy, is a blessing unmitigated." Any shopping woman might have told the Republican Sir Oracle as much. But isn't it another backslide from the Republican doctrine that "cheap and nasty go together?"—Philadelphia Record, Dem.

At all events, the Senator from New York is fighting with a Spartan grit and determination which must compel admiration, even from his enemies. At no time in his career, probably, has David Bennett Hill ever been opposed to such overwhelming odds. It is the fight of his life, and in the struggle he is bringing into effective play every resource and every art of generalship which years of political experience have taught him.—Chicago Record, Ind.

The Civil Service Commission "earnestly advises Federal employes not to pay a dollar to any political party unless of their own free will and because they desire to do so." We have no doubt the commission is entirely sincere, but it is rather late with its advice. Campaign committees do not wait until ten days before an election to collect assessments, and they never have to coerce Federal employes. They are as polite as were the robber guerillas during the war, who were represented in a cartoon as riding up to a farmhouse, putting revolvers to the farmer's head and inquiring, "What's the price of chickens?" The farmer contributed the chickens to the cause "of his own free will and because he desired to do so."—Philadelphia Record, Ind.

KILLED THE NEGRO.

Reports reached the city yesterday after The Item had gone press of the killing of a negro man, Frank Webb, last Monday, on the place of Mr. Joe Mitchell, four miles west of the city, by another negro named Lee. It seems that Webb was a Lee's house, when a scuffle ensued and the latter was shot twice, once in the abdomen and once in the back. Lee's wife and sister were present at the time of the shooting and they say the killing of Webb was an accident. There was no inquest held or arrest made.

Dear Sirs—I wish to give my testimonial in regard to your valuable medicine, P P P, for the cure of rheumatism, neuralgia, dyspepsia, bilious-muscular rheumatism, and have been a martyr to it ever since. I tried all medicines I ever heard of, and all the doctors in search, but I found only temporary relief; the pains were so bad at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at the time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P P P, and before we (my wife and I) had finished the second bottle of P P P our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I haven't done before in a number of years. We will continue taking P P P until we are entirely cured, and will cheerfully recommend it to all suffering humanity.

Yours very respectfully,
T. S. Lupkins.

AT HATTIESBURG.

Hattiesburg, Oct 30.—Senator A.J. McLaurin in an address to the citizens of this county today, gave the most thorough exposition of Democratic doctrine to which the people of this section have listened during the campaign. It covered the whole ground, tariff, silver, hard times and all, and was listened to and applauded in the most earnest manner. Apparently he captivated all his hearers, and if there was a dissenting contingent present it was not manifested. Despite the threatening weather there was a large crowd in attendance, including many ladies. Standing room was at a premium in the spacious courtroom and many, failing to secure a place left. Col. T. B. Stockdale followed Mr. McLaurin.

Dear Sirs:—I bought a bottle of P P P at Hot Springs, Ark., and it has done me more good than three months' treatment at the Hot Springs.

If we you no agents in this part of the country, or let me know how much it will cost to get three or six bottles from your city by express.

Respectfully yours,

NEWMANSVILLE, Fla., June 5, 1891.

Messrs. Lippman Bros., Savannah, Ga.

Dear Sirs—I wish to give my testimonial in regard to your valuable medicine, P P P, for the cure of rheumatism, neuralgia, dyspepsia, bilious-muscular rheumatism, and have been a martyr to it ever since. I tried all medicines I ever heard of, and all the doctors in search, but I found only temporary relief; the pains were so bad at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at the time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P P P, and before we (my wife and I) had finished the second bottle of P P P our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I haven't done before in a number of years. We will continue taking P P P until we are entirely cured, and will cheerfully recommend it to all suffering humanity.

Yours very respectfully,
I. S. LUPRISS
